*Education is the key to unlock the golden door of freedom.* - George Washington Carver

MBS International School commenced its new academic session with a heart-warming and inspiring special assembly on 4 April 2024. The assembly, organised by teachers, aimed to extend a warm welcome to the students and set a positive tone for the upcoming year.

The assembly began with a serene recitation of the *GayatriMantra*, a sacred hymn symbolizing the pursuit of knowledge and enlightenment. This was followed by the echoes of *VandeMataram*, filling the air with a deep sense of patriotism and reverence towards the nation. A moment of collective prayer ensued, where students and teachers bowed their heads in quiet reflection, seeking blessings for a fruitful academic journey ahead. An inspiring *Thought for the Day* was shared, igniting the minds of students with motivation and positivity. The speech on discipline and *mann ki baat* not only motivated the students but also taught them to become more organised in their future endeavours while the beautiful poem recitation ignited a love for literature. The winners of Children's Day Fancy Dress online Photo Contest were also facilitated by the School Principal in the assembly.

The highlight of the assembly was an insightful address by the esteemed Principal, Mr. Atul Wadhawan, who shared words of wisdom, encouragement, and guidance with the students. His inspiring words emphasised the importance of hard work, perseverance, and integrity in achieving academic excellence and personal growth.

The assembly resonated with unity and pride as the entire school joined in singing the school anthem. It concluded on a patriotic note with the singing of the National Anthem, as students stood in respect and reverence for their country.

The special assembly organized by the teachers on the first day of the new session was a testament to the school's commitment to nurturing not only academic excellence but also holistic development and a sense of community.
